Glacier Bancorp, Inc. is the parent company for Glacier Bank, Kalispell and its bank divisions: Bank of the San Juans (Durango, CO), Citizens Community Bank (Pocatello, ID), Collegiate Peaks Bank (Buena Vista, CO), First Bank of Montana (Lewistown, MT), First Bank (Powell, WY), First Community Bank Utah (Layton, UT), First Security Bank of Bozeman (Bozeman, MT), First Security Bank of Missoula (Missoula, MT), First State Bank (Wheatland, WY), Heritage Bank of Nevada (Reno, NV), Mountain West Bank (Coeur d'Alene, ID), North Cascades Bank (Chelan, WA), The Foothills Bank (Yuma, AZ), Valley Bank of Helena (Helena, MT), and Western Security Bank (Billings, MT).

This presentation will include forward looking statements which describe management's expectations regarding future events and developments such as future operating results, growth in loans and deposits, continued success of the Company's style of banking and the strength of the local economies in which it operates. Future events are difficult to predict, and the expectations described above are necessarily subject to risk and uncertainty that may cause actual results to differ materially and adversely. In addition to discussions about risks and uncertainties set forth from time to time in the Company's public filings, factors that may cause actual results to differ materially from those contemplated by such forward looking statements include, among others, the following possibilities: (1) local, national and international economic conditions are less favorable than expected or have a more direct and pronounced effect on the Company than expected and adversely affect the Company's ability to continue its internal growth at historical rates and maintain the quality of its earning assets; (2) changes in interest rates reduce interest margins more than expected and negatively affect funding sources; (3) projected business increases following strategic expansion or opening or acquiring new banks and/or branches are lower than expected; (4) costs or difficulties related to the integration of acquisitions are greater than expected; (5) competitive pressure among financial institutions increases significantly; (6) legislation or regulatory requirements or changes adversely affect the businesses in which the Company is engaged.
