**KALISPELL, Mont.**, Jul 21, 2022 (GLOBE NEWSWIRE) - Glacier Bancorp, Inc. (NYSE: GBCI) reported net income of \$76.4 million for the current quarter, a decrease of \$1.2 million, or 2 percent, from the \$77.6 million of net income for the prior year second quarter. Diluted earnings per share for the current quarter was \$0.69 per share, a decrease of 15 percent from the prior year second quarter diluted earnings per share of \$0.81. The \$1.2 million decrease in second quarter earnings over the prior year second quarter was driven primarily by a \$11.1 million decrease in gain on the sale of residential loans, a \$10.3 million decrease in the PPP related income, an increase of \$4.1 million of provision for credit loss, and a \$976 thousand increase in acquisition-related expenses. For the quarter, the Company experienced a \$38.0 million increase, or 24 percent, in net interest income and a \$29.4 million increase, or 29 percent, in non-interest expense over the prior year second quarter which was driven by the acquisition of Altabancorp and its Altabank subsidiary (“Alta”). “We were very pleased to see the high quality loan and deposit growth we achieved this quarter,” said Randy Chesler, President and Chief Executive Officer. “We remain prepared to manage through economic headwinds if the economy experiences a recession and are confident in the long term resiliency of our markets and our core business.”

Net income for the six month ended June 30, 2022 was \$144.2 million, a decrease of \$14.2 million, or 9 percent, from the \$158.4 million net income for the first six months in the prior year. Diluted earnings per share for the first half of 2022 was \$1.30 per share, a decrease of 22 percent from the prior year first half earnings per share of \$1.66. The \$14.2 million decrease in net income over the prior year first half was driven primarily by a \$25.7 million decrease in the PPP related income, a \$23.7 million decrease in gain on the sale of residential loans, an increase of \$11.1 million of provision for credit loss, and a \$7.1 million increase in acquisition-related expenses.

Tangible stockholders' equity of \$1.864 billion at June 30, 2022 decreased \$35.3 million, or 2 percent, from the prior quarter which was primarily driven by an increase in the unrealized loss on the available-for-sale ("AFS") debt securities during the current quarter which was driven by an increase in interest rates. Tangible stockholders' equity at June 30, 2022 increased \$74.5 million, or 4 percent, from the prior year second quarter which largely was the result of \$840 million of Company common stock issued for the acquisition of Alta, despite the increase in goodwill and core deposit intangibles associated with the Alta acquisition and an increase in the unrealized loss on the AFS debt securities. Tangible book value per common share of \$16.83 at the current quarter end decreased \$0.32 per share, or 2 percent, from the prior quarter and decreased \$1.91 per share, or 10 percent, from the prior year second quarter primarily as a result of the increase in the unrealized loss on AFS debt securities.

#### Cash Dividends

On June 29, 2022, the Company's Board of Directors declared a quarterly cash dividend of \$0.33 per share. The dividend was payable July 21, 2022 to shareholders of record on July 12, 2022. The dividend was the Company's 149th consecutive dividend. Future cash dividends will depend on a variety of factors, including net income, capital, asset quality, general economic conditions and regulatory considerations.

#### Net Interest Income

The current quarter net interest income of \$193 million increased \$7.9 million, or 4 percent, compared to the prior quarter and increased \$38.0 million, or 24 percent, from the prior year second quarter. The current quarter interest income of \$200 million increased \$9.1 million, or 5 percent, over the prior quarter and was driven by the increase in the loan portfolio and an increase in investment yields, both of which more than offset the decrease of \$1.8 million in interest income from the PPP loans. The current quarter interest income increased \$39.7 million over the prior year second quarter primarily due to \$28.7 million of interest income from Altabank division and organic loan growth, which more than offset the \$8.8 million decrease in interest income from the PPP loans.

The current quarter interest expense of \$6.2 million increased \$1.2 million, or 25 percent, over the prior quarter and increased \$1.7 million, or 38 percent, over the prior year second quarter primarily the result of an increase in borrowings to support the Company's liquidity needs. Core deposit cost was 6 basis points in the current quarter compared to 7 basis points in the prior quarter and the prior year second quarter. The total cost of funding (including non-interest bearing deposits) was 11 basis points in the current quarter compared to 9 basis points in the prior quarter and 10 basis points in the prior year second quarter which was driven by the increased borrowings.

The Company's net interest margin as a percentage of earning assets, on a tax-equivalent basis, for the current quarter was 3.23 percent compared to 3.20 percent in the prior quarter and 3.44 percent in the prior year second quarter. The core net interest margin, excluding 4 basis points of discount accretion, 1 basis point from non-accrual interest and 2 basis points increase from the PPP loans, was 3.16 percent compared to 3.07 in the prior quarter and 3.33 percent in the prior year second quarter. The core net interest margin increased 9 basis points in the current quarter as a result of increased core loan yields and investment yields. The core loan yield of 4.41 percent in the current quarter increased 7 basis points from the prior quarter core loan yield of 4.34 percent. "We are pleased with the growth in our net interest income in the current quarter. The Bank divisions remain focused on growing a low-cost core deposit base, especially non-interest bearing deposits, in a rising rate environment," said Ron Copher, Chief Financial Officer.

### Non-interest Income

Non-interest income for the current quarter totaled \$28.3 million which was a decrease of \$5.3 million, or 16 percent, over the prior quarter and a decrease of \$7.2 million, or 20 percent, over the same quarter last year with both decreases primarily driven by the decrease in gain on sale of residential loans. Gain on the sale of residential loans of \$5.0 million for the current quarter decreased \$4.0 million, or 45 percent, compared to the prior quarter and decreased \$11.1 million, or 69 percent, from the prior year second quarter. The current quarter mortgage activity was lower than prior periods as a result of the continued reduction in residential purchase and refinance activity as mortgage rates continued to rise.

Total non-interest expense	\$ 129,521	130,308	100,082	(787)	29,439

Total non-interest expense of \$130 million for the current quarter decreased \$787 thousand, or 60 basis points, over the prior quarter which was driven by a decrease in acquisition-related expenses during the current quarter. Acquisition-related expenses was \$2.1 million in the current quarter compared to \$6.2 million in the prior quarter and \$1.1 million in the prior year second quarter.

Total non-interest expense increased \$29.4 million, or 29 percent, over the prior year second quarter which was primarily driven by the acquisition of Alta. Excluding \$18.3 million of non-interest expense from the Altabank division, \$1.5 million from deferred compensation on the PPP loans in the prior year, and acquisition-related expenses, non-interest expense increased \$8.7 million, or 9 percent, from the prior year second quarter. The increase includes \$5.2 million from compensation and employee benefits driven by the increased number of employees, annual salary increases and a \$2.1 million increase in outside service expenses associated with technology infrastructure improvements.

#### Federal and State Income Tax Expense

Tax expense during the second quarter of 2022 was \$17.3 million, an increase of \$3.4 million, or 24 percent, compared to the prior quarter and a decrease of \$1.6 million, or 8 percent, from the prior year second quarter. The effective tax rate in the current quarter was 18.5 percent compared to 17.1 percent in the prior quarter with the increase driven by higher taxable income. The effective tax rate in the current quarter of 18.5 percent compared to 19.6 percent in the prior year second quarter with the decrease in the current quarter attributable to lower taxable income.

#### Efficiency Ratio

The efficiency ratio was 55.74 percent in the current quarter compared to 57.11 percent in the prior quarter and 49.92 in the prior year second quarter. Excluding acquisition-related expenses, the efficiency ratio would have been 54.84 percent in the current quarter compared to 54.33 percent in the prior quarter and 49.37 percent in the prior year second quarter. The increase in the efficiency ratio from the prior year second quarter was driven by the decrease in gain on the sale of residential loans, the decrease in income from the PPP loans and the increase in non-interest expense.

### Net Interest Income

Net-interest income of \$379 million for the first half of 2022 increased \$66.7 million, or 21 percent, over the same period in 2021. Interest income of \$390 million for the first six months of the current year increased \$68.6 million, or 21 percent, from the prior year and was primarily attributable to \$58.9 million of interest income from Alta division and organic growth. Interest expense of \$11.2 million for the first half of 2022 increased \$1.9 million, or 21 percent over the prior year. The total funding cost (including non-interest bearing deposits) for the first six months of 2022 was 10 basis points, which decreased 1 basis point compared to 11 basis points in first six months of 2021.

The net interest margin as a percentage of earning assets, on a tax-equivalent basis, during the first half of 2022 was 3.21 percent, a 37 basis points decrease from the net interest margin of 3.58 percent for the same period in the prior year. The core net interest margin, excluding 6 basis points of discount accretion, 1 basis point of non-accrual interest and 3 basis points increase from the PPP loans, was 3.11 which was a 32 basis point decrease from the core margin of 3.43 percent in the prior year.

### Non-interest Income

Non-interest income of \$61.8 million for the first half of 2022 decreased \$13.8 million, or 18 percent, over the same period last year and was primarily attributable to the \$23.7 million, or 63 percent, decrease in gain on sale of residential loans. Service charges and other fees of \$34.4 million for the first six months of 2022 increased \$7.8 million, or 29 percent, from prior year as a result of additional fees from increased customer accounts, transaction activity and the acquisition of Alta. Miscellaneous loan fees and charges increased \$1.7 million, or 30 percent, primarily driven by increases in credit card interchange fees due to increased activity.

Excluding \$41.6 million of non-interest expense from the Altabank division, \$6.7 million from deferred compensation on the PPP loans in the prior year, and acquisition-related expenses, non-interest expense increased \$14.8 million, or 8 percent, from the prior year first half. Excluding the Alta division, compensation and employee benefits increased \$13.5 million, or 11 percent, from prior year due to increased number of employees and annual salary increases. Other expenses increased \$19.1 million and was primarily driven by expenses related to the Alta division and a \$7.1 million increase in acquisition related expenses. Acquisition-related expenses were \$8.3 million in the current year compared to \$1.2 million in the prior year.

### Provision for Credit Losses

The provision for credit loss expense was \$5.5 million for the first six months of 2022, including provision for credit loss expense of \$3.0 million on the loan portfolio and credit loss expense of \$2.5 million on unfunded loan commitments. The provision for credit loss expense of \$3.0 million on the loan portfolio in the current year increased \$8.2 million over the provision for credit loss benefit of \$5.2 million in the prior year which was primarily attributable to organic loan growth. Net charge-offs during the current year were \$2.7 million compared to \$1.6 million during the prior year.

### Federal and State Income Tax Expense

Tax expense of \$31.3 million in the first six months of 2022 decreased \$7.1 million, or 19 percent, over the prior year same period. The effective tax rate for 2022 was 17.8 percent compared to 19.5 percent in the prior year.

### Efficiency Ratio

The efficiency ratio was 56.42 percent for the first six months of 2022 compared to 48.31 percent for the same period last year. Excluding the impact from the PPP loans and acquisition related expenses, the efficiency ratio was 55.19 in 2022 compared to 52.89 in 2021 with the increase driven by the decrease in gain on the sale of residential loans and the increase in non-interest expense.

### Forward-Looking Statements

This news release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about the Company's plans, objectives, expectations and intentions that are not historical facts, and other statements identified by words such as "expects," "anticipates," "intends," "plans," "believes," "should," "projects," "seeks," "estimates" or the negative version of those words or other comparable words or phrases of a future or forward-looking nature. These forward-looking statements are based on current beliefs and expectations of management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond the Company's control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change. The following factors, among others, could cause actual results to differ materially from the anticipated results (express or implied) or other expectations in the forward-looking statements, including those set forth in this news release:

- the risks associated with lending and potential adverse changes in the credit quality of loans in the Company's portfolio;
- changes in trade, monetary and fiscal policies and laws, including interest rate policies of the Federal Reserve System or the Federal Reserve Board, which could adversely affect the Company's net interest income and margin and overall profitability;
- legislative or regulatory changes, such as the those signaled by the Biden Administration, as well as increased banking and consumer protection regulation, that may adversely affect the Company's business;
- ability to complete pending or prospective future acquisitions;
- costs or difficulties related to the completion and integration of acquisitions;
- the goodwill the Company has recorded in connection with acquisitions could become impaired, which may have an adverse impact on earnings and capital;
- reduced demand for banking products and services;
- the reputation of banks and the financial services industry could deteriorate, which could adversely affect the Company's ability to obtain and maintain customers;
- competition among financial institutions in the Company's markets may increase significantly;

- the risks presented by continued public stock market volatility, which could adversely affect the market price of the Company's common stock and the ability to raise additional capital or grow the Company through acquisitions;
- the projected business and profitability of an expansion or the opening of a new branch could be lower than expected;
- consolidation in the financial services industry in the Company's markets resulting in the creation of larger financial institutions who may have greater resources could change the competitive landscape;
- dependence on the Chief Executive Officer, the senior management team and the Presidents of Glacier Bank divisions;
- material failure, potential interruption or breach in security of the Company's systems and technological changes which could expose us to new risks (e.g., cybersecurity), fraud or system failures;
- natural disasters, including fires, floods, earthquakes, and other unexpected events;
- the Company's success in managing risks involved in the foregoing; and
- the effects of any reputational damage to the Company resulting from any of the foregoing.

The Company does not undertake any obligation to publicly correct or update any forward-looking statement if it later becomes aware that actual results are likely to differ materially from those expressed in such forward-looking statement.
